For the uninitiated, this is an eye opening book in that Joseph Campbell is able to demonstrate

Since its release in 1949, *The Hero with a Thousand Faces* has influenced millions of readers by combining the insights of modern psychology with Joseph Campbell's revolutionary understanding of comparative mythology. In this book, Campbell outlines the Hero's Journey, a universal motif of adventure and transformation that runs through virtually all of the world's mythic traditions. He also explores the Cosmogonic Cycle, the mythic pattern of world creation and
